Aurora, OH (June 2, 2005)—Veteran trainer Nick Zito was the only flat racing representative to be elected into the Racing Hall of Fame this year. The announcement was made by National Museum of Racing president John van Stade and formal induction will take place on August 8 at the Fasig-Tipton Sales Pavilion in Saratoga Springs.

The honor comes during one of Zito's best seasons in his more than 33-year career in Thoroughbred racing. So far in 2005 Zito has captured 12 stakes wins with 11 horses and saddled a record five horses for the Kentucky Derby, as well as three for the Preakness Stakes.

"This is an amazing honor that Nick Zito richly deserves after his decades of dedication to Thoroughbred racing," said Patrick Warczak, Vice President – Marketing at Freedom Health, LLC. His company's SUCCEED™ Digestive Conditioning Program™ is the only product Zito has endorsed in his entire career. The relationship between Zito and SUCCEED™ began in early 2005.

"Not only does Nick have an incredible talent for getting the best performances from his horses, he also works hard to assure that every horse in his stable gets the best possible care. He is truly concerned for their overall health and well being. We are

extremely proud to be associated with Nick and offer him our sincere congratulations on his induction into the Racing Hall of Fame," said Warczak.

SUCCEED™ Digestive Conditioning Program™ is a nutritional supplement that is scientifically formulated to support complete equine digestive tract function and health. The first and only product of its kind, SUCCEED™ was created on the principle that the way a horse feels, behaves and performs is directly related to its health in general, and especially to its digestive health.

For more information on SUCCEED™ Digestive Conditioning Program™, including in-depth articles on digestive tract health and interactive presentations, visit **[www.SucceedDCP.com](http://www.SucceedDCP.com)**. Information may also be obtained by calling toll-free, 866-270-7939.

SUCCEED™ Digestive Conditioning Program™ is produced and distributed exclusively by Freedom Health, LLC, of Aurora, Ohio. This company is focused on finding, perfecting and delivering superior, innovative products that address real and significant health-related issues for animals and the people who care for them.
